

KICKER

bullfrog®

BF200

Features:

- Get it dirty. Get it wet. Get it sandy. The Bullfrog is IP66 certified to take it all and keep on pumping out the tunes.
- 20 hour battery life provides all day sound
- With the built-in FM tuner, your party starts now.
- Put the Bullfrog anywhere, it sounds great everywhere! 360° Sound means everyone hears the music.
- Pair a pair of Bullfrogs! With Double Kick and the KICKER Connect app, join two speakers - or connect directly via a standard 3.5mm AUX cable. Now everyone will hear the music anywhere the party goes!
- 100 foot Bluetooth® range lets you walk everywhere around the party without losing a note of your music.
- USB port acts as a portable power bank and charger
- Compatible with IOS and Android
- Exclusive KICKER audio reproduction for ultimate listening
