

**KICKER**

# bullfrog®

## BF400

Outdoor adventure meets over the top sound with Bullfrog®, KICKER's first portable Bluetooth® speaker designed specifically for the campsite.

- 20 hour battery life provides all day sound
- With the built-in FM tuner, your party starts now. No device or data necessary.
- Put the Bullfrog anywhere, it sounds great everywhere! 360° Sound means everyone hears the music.
- Get it dirty. Get it wet. Get it sandy. The Bullfrog is IP66 certified to take it all and keep on pumping out the tunes.
- Sync a pair of Bullfrogs! With DoubleKick and the KICKER Connect app on your smartphone, join two speakers and everyone will hear the music anywhere the party goes!
- 100 foot Bluetooth® range lets you walk everywhere around the party without losing a note of your music.
- USB port acts as a portable power bank and charger
- Compatible with IOS and Android
